**NATIONAL GENEALOGICAL SOCIETY ANNOUNCES THE 33RD
2011 FAMILY HISTORY CONFERENCE**

CHARLESTON, SOUTH CAROLINA, 11-14 MAY 2011

Where the Past is Still Present

(May 20, 2010) -- America's fascination with ancestry is increasing because of the recent television series "Faces of America" on PBS and "Who Do You Think You Are" on NBC. The National Genealogical Society is pleased to announce that next year's conference will be held at the Charleston Area Convention Center, 5001 Coliseum Drive, North Charleston, SC 29418, 11-14 May 2011. Plans are already underway to bring two thousand genealogists from around the country to Charleston for the event. The Society selected Charleston because of its significance in American history. In addition to attending the NGS 2011 Family History Conference, participants will have an opportunity to tour Charleston's historic buildings, churches and homes as well as its many museums and research facilities.

April 2011 will mark the 150th Anniversary of the beginning of the Civil War at nearby Ft. Sumter, so the four day family history conference will feature talks on both Revolutionary War and Civil War records. More than fifty nationally recognized speakers will provide over one hundred and fifty lectures on a wide variety of topics including research in South Carolina and the surrounding states, migration patterns, religious records, research methodology, and problem solving. The conference program will also include lectures about researching various ethnic groups including Germans, Cherokee, African-Americans, Scots, and Scots-Irish. Registration will open on 1 December 2010 providing a choice of full conference registration or a daily fee.

FOR GENERATIONS PAST, PRESENT, AND FUTURE

An exhibit area with more than one hundred exhibitors will be open and free to the public Wednesday through Saturday including the latest in genealogical software, online research providers and DNA testing services.

Founded in 1903, the National Genealogical Society is dedicated to genealogy education, high research standards, and the preservation of genealogical records. The Arlington, VA-based nonprofit is the premier national society for everyone, from the beginner to the most advanced family historian, seeking excellence in publications, educational offerings, research guidance, and opportunities to interact with other genealogists. Please visit the NGS Pressroom for further information.

*Switchboard means that whoever answers the phone in HQ will get a message to the person who needs to answer the question. It doesn't mean that the HQ person knows the answer. There will also be times when the second person called that is listed on the form will have to just take a message and pass it on to the person who has that main responsibility. Branch staff and other staff with immediate supervisors should check with their branch manager or supervisor before contacting staff on this list. Often supervisors will be able to answer your questions. If he/she cannot answer your questions, your supervisor will help you select the person that you need to call.

Subject: Kirkpatrick research

Renee,

Thank you so much for offering to help search for my Kirkpatrick ancestors up in Chickasaw County. I am looking for death dates, cemeteries, land records, tax rolls and any other official paper work that might be available. I have done searches through the Dept. of Vital Records as well as the Archives. What came back from the archives were copies of census'. However, we were able to briefly stop at the Houston Courthouse and did find some things so I feel there is more information out there. There might something in Calhoun Cty since at times they were in the Thorn area.

John (b. 1824 Chester Cty) and Julia Ann Kirkpatrick (b. 1829 Chester Cty). They lived in SC until around 1855 and moved to AL. Then about 1866, they moved to MS. There is an 1871 mortgage but unfortunately, John apparently died of fever in 1872 although there is no record. She appears on the 1880 census as a widow living with Clarks. This is a big mystery.

Note: There is another John K from SC in MS. He is a cousin but birth and wife names are different.

Cannot find exact date of death for Julia Ann. She is on the 1900 census living with her grandson Lafayette. She is not on the 1910 census. Although many family members are buried in Poplar Springs Cemetery (around Thorn) she nor her husband are listed.

Their son James Mc Kirkpatrick is next. He was born in Chester about 1854. He married Martha Elizabeth "Hattie" Williams in the 1870's. I cannot find them anywhere on the 1880 census. I don't think they owned land but perhaps there are other records. He died about 1911 so no death certificate issued. However, Hattie died between 1931 and 1937 and there isn't a death certificate for her. I gave her full name (Martha Elizabeth Williams Kirkpatrick) to Vital Sta. But they couldn't find her. Perhaps if there is a death certificate, it says Hattie.

Last is James Campbell Kirkpatrick who married Isabell Funderburk in 1901. He died suddenly in Bolivar Cty in 1914 while working out of town. The death certificate is inaccurate. I'm not sure if they owned land or rented.

I have the marriage certificates and census records for James Mc and James Campbell.

If time permits, I would also like to obtain the Civil War military records of Hattie's father:

William J. Williams. He was killed at Shiloh in 1862.

William was born around 1832 in TN. He married Mary C. Jeans and they are on the 1860 census.

There is another William J. Williams believe it or not.

Thank you so much!

Subject: Ancestry.com

renee, do you have available ancestry.com at the library? If so, am working on our elam line. our great grandfather, three times removed was Martin elam of chester county, sc. his daughter, sussannah, married nicholas colvin. their daughter, patience, married francis nelson, our ancestor from ireland.

i am trying to tie martin elam to hiram elam born 1805 tennessee. Hiram father was John s. elam who birth place is unknown. Charles
